

2023-2024 Parent Refusal

Student Name: _____ **ID Number: N** _____

Under the Federal law, a financial aid administrator may, but is not required to, offer a dependent student an Unsubsidized Direct Stafford Loan, but not other Title IV Federal student aid if the dependent student's parent(s) have stopped providing financial support to the student, will not financially support the student in the future, **and** decline to complete a Free Application for Federal Student Aid (FAFSA). Please return this completed form and documentation to the Financial Aid Office. If your parent(s) is unwilling to sign this form, please sign and date the student section and submit a statement from a third-party source verifying your circumstances.

If you (the student) meet the following, you may still be able to receive a Federal Unsubsidized Direct Stafford Loan:

- Parents refusing to contribute to the student's education.
- Parents unwilling to provide information on the application or for FAFSA verification.
- Parents not claiming the student as a dependent for income tax purposes.
- Student demonstrating self-sufficiency.

Student:

- I provide my own financial support and have attached documentation (*i.e. copy of signed Federal tax transcript, copy of lease or rental agreement, etc.*)
- I understand that I will not be considered an independent student.
- I understand that I am not a candidate for dependency override.
- I understand I am not eligible for any Federal Grants.
- I understand I am not eligible for any Federal Subsidized Loans.

The maximum annual Unsubsidized Direct Loan amount that a dependent student may receive is the "base" annual loan limit for the student's grade level plus the additional Unsubsidized Direct Stafford Loan amount of \$2,000 for a dependent student. By signing below, you agree to provide additional information if requested by the Financial Aid Office.
